

## 총람

### 제품 장점

## D10A-SF-1L-CV-PG16-21010000171

10A Lower base, single buckle, back cover, side entry, PG16 Thread hole, Wear protective cover

### 제품 장점

- ☑ Metal or high-strength plastic material, resistant to high-strength mechanical shock;
- ☑ Various installation methods and outlet directions to meet on-site wiring requirements;
- ☑ Snap-in combination structure, dustproof, waterproof, easy operation;

### Marking

|                |                         |
|----------------|-------------------------|
| classification | Upper Housing/base      |
| Series         | A                       |
| Type           | Surface mount base      |
| Description    | With plastic dust cover |
| Specification  | Low structure           |

### versions

|                      |             |
|----------------------|-------------|
| Dimension            | 10A         |
| locking Category     | Single lock |
| Thread specification | 1x PG16     |

### Material characteristics

|                               |                          |
|-------------------------------|--------------------------|
| Flammability rating           | V-0                      |
| RoHS                          | conform                  |
| Material (upper housing/base) | Die-cast aluminium alloy |
| Material(upper housing/base)  | spray                    |
| Color (upper housing/base)    | Grey (RAL 7037)          |
| Material (seal)               | NBR                      |
| Material (lock catch)         | Zinc plated              |

Technical specification

|                       |            |
|-----------------------|------------|
| Limiting temperatures | -40℃~+125℃ |
| IP class              | IP65       |
